

2018 Barbeque Cook-off
Friday, April 20 and Saturday, April 21, 2018

General Information

The 11th Annual Come-See-Me Barbeque Cook-off will be held at the beautiful Winthrop University Lake and is open to the public. Four-person teams will compete for the title of "Best Barbeque at Come-See-Me 2018!"

All barbeque meat (butts) will be retained for sale at the Come-See-Me Tailgate Party on Saturday, April 21, 2018 beginning at 3p.m. until sold out.

Contestants may also enter the optional "Ribs" category. Participating teams will provide their own ribs and a \$25 entry fee. Winner pay outs will be 100 percent of entry fees.

Cooking Instructions and Rules

Barbeque for the contest may be prepared using wood, gas, or charcoal cookers, and the teams may prepare and cook the pork in any fashion they prefer, so long as it is suitable to be served to the public. The teams must prepare the barbeque on-site at the venue. Teams are to chop or pull their meat and put in pans provided for sale by Come-See-Me. **You must wear gloves, chop the pork under a covering, and have a hand-washing station.**

The Festival will furnish the butts, which teams may pick up at 5 p.m. on Friday, April 20, 2018.

Each team will have a total cooking area no larger than 25' x 25'. No two-story structures are allowed, and no on-site expansion beyond the allotted area is allowed. All belongings must be entirely contained within the 25' x 25' area. Please respect the University's property and be careful not to damage any landscaping or other property. **No pets are allowed.**

Each team must supply their own ingredients, grill, tools, and any materials needed by the team. While electrical power will be provided for cooking equipment, you must use a generator for personal power needs (i.e., camper).

Teams may not sell or distribute any form of beverages to the public, including alcoholic beverages. Team members should be discreet with use of alcoholic beverages on the premises, and are to respect the rights of others with special regard to music volume, profane language, and infringement on adjoining sites. **Team members must conduct themselves in a professional manner or may be asked to leave.**
